Grad-TTS: correct text, ASR-style confound, and different text
Bold words: country → county · sift → shift · wheat → heat · chaff → staff

Correct text: The overwhelming majority of people in this **country** know how to **sift** the **wheat** from the **chaff** in what they hear and what they read.

Confounding hypothesis: The overwhelming majority of people in this **county** know how to **shift** the **heat** from the **staff** in what they hear and what they read.

Different text: as is shown by the report of the Commissioners to inquire into the state of the municipal corporations in eighteen thirty-five.

Aligned columns use the reference frame grid and saved per-text MAS paths. Free synthesis retains its own duration; blank tails are not silence.
